

**Action Matrix for Christow Parish Plan 2016**

Issue	Action	Responsible Councillor	Update and date of review
Housing Development	As referred to in the body of this paper the DNP are commencing a wide ranging review of the Dartmoor National Park Local Plan w.e.f 3 October 2016. The Parish Council is a body that is required to be consulted statutorily with a view to giving it and its residents through “events” in November 2016 the opportunity to influence the future development plans for Christow. It is imperative, therefore, that Councillors, publicise, take part, and contribute to this process in order that the overwhelming view of residents, that no further housing development should take place in the foreseeable future, is recorded accordingly in a way that is both relevant and realistic. To be reviewed annually		<u>November 2020</u> CLT have instigated a ‘new’ housing needs survey which CPC will donate towards the printing and distribution
Travel Parking and Road Safety	<p>Liase with Highways re 20mph speed limit through village.</p> <p>Any Public parking requirements need to be made subject with wider consultation within the village.</p> <p>Blocked drains and gullies – Liase with other villages concerning employing a shared lengthsman.</p> <p>Litter – consult with Teignbridge and school representatives and a Councillor to be nominated to organise a quarterly clear up of litter from Christow and environs.</p>		<u>November 2020</u> During the last 12 months a community group have worked with the local Primary school to produce ‘20’s Plenty’ signs throughout the village. Village Lengthsman have been engaged part of his duties include clearing drains and buddle holes. New Litter signs are on order from TDC
Health Facilities	Nominated Councillor to liase with Practice Manager as issues causing concern arise.		

Education and Children	Nominated Councillor to liaise with Mike Wharton (School Gov) and Andrew Swainson (Head).		<u>November 2020</u> . Supported the '20's plenty' sign project.
Footpaths & Bridleways	Ensure that footpaths and Bridleways are kept clear and in good condition. Lead Councillor to seek volunteers to identify any issues requiring attention.		<u>November 2020</u> These are the responsibility of DNPA, and we liaise with the park ranger regularly.
Shopping Facilities and Amenities	No action for the present		
Leisure Facilities	No action for the present		
Community Energy	CPC Statement for Unity which brings residents up to date on the current situation. Full Consultation must take place regarding any further developments.		<u>November 2020</u> Greener Team-community group reviewed energy used within the Teign valley received a grant, but no further action taken
